

CAMILA PALENO

UX/UI Design & Frontend Development

SEE MY WORK: [IMCAMILA.DEV](https://imcamila.dev)

HELLO.

I design and develop responsive websites with HTML, CSS, Javascript, and React.js. I build brands with design.

I KNOW HOW TO USE:

- HTML & CSS
- Javascript
- React.js
- Wordpress, Shopify, Squarespace
- Facebook Business
- Adobe Photoshop, Illustrator, After Effects, Xd, Lightroom
- Lottie Effects

I CAN:

- Write clean, modern, and efficient code.
- Build responsive websites that work across devices and browsers
- Create email campaigns that are readable and look good across email clients.
- Build beautiful animations for websites and social media
- Create social media marketing campaigns
